

# ANAS TANVEER

Full stack web developer - Php Laravel & Wordpress expert

## PROFESSIONAL SUMMARY

Detail-driven Full-stack web developer with 7+ years of experience in Pakistan and the UAE, including 1.5 years of hands-on development in Dubai. Proficient in PHP Laravel, HTML, CSS, JavaScript, SQL, and WordPress (theme and plugin customization). Adept at building responsive, secure, and scalable web applications from the ground up.

Experienced across agency, freelance, and corporate environments, delivering client-focused digital solutions. Skilled in both frontend and backend development with solid command of MySQL, Oracle, and MongoDB. Strong in API development, server/database architecture, and cross-functional collaboration. A results-driven developer with a proven record of delivering high-performance web systems.

## WORK HISTORY

**Full Stack Web Developer, 11/2023 to Current**

**Taki global marketing - Dubai**

- Developed and optimized 10+ dynamic, user-centric web applications using JavaScript, HTML, CSS, and modern front-end frameworks like jQuery, Bootstrap, and React.
- Collaborated closely with cross-functional teams to gather business requirements and deliver tailored solutions aligned with project and marketing goals.
- Specialized in building custom-coded landing pages, admin dashboards, and CRM platforms using Laravel, PHP, and MVC architecture.
- Created and maintained scalable WordPress websites, including theme customization, plugin integration, and performance optimization.
- Led the development of dating and trading platforms (both websites and mobile apps), ensuring clean UI/UX and secure backend integration.
- Designed responsive email templates, implemented front-end animations, and ensured all projects adhered to Agile methodologies and met tight deadlines.
- Maintained clean, modular, and reusable codebases, with a strong focus on cross-browser compatibility, accessibility, and SEO best practices.
- Used JavaScript, SQL, and HTML to develop app solutions.

**Full Stack Web Developer, 11/2018 to Current**

**Fiverr | Upwork - Remote**

- Worked on 50+ custom WordPress projects, including real estate websites, car/house rental platforms, clothing brand stores, business
